

COMPANY PROFILE

# Structuring energy. Financing growth. *Moving molecules.*

Physical crude oil, aviation and marine fuel, and refined products: structured, financed and delivered.

WHO WE ARE

Bloomgate Limited is a focused platform for physical energy transactions, registered in the Abu Dhabi Global Market and led by partners with experience across global energy markets, investment banking and structured finance. We act as architect and operator on each mandate, coordinating commercial, financial and operational workstreams from first enquiry to final delivery.

WHAT WE MOVE

### Crude Oil

Sourcing and placement of crude grades across established buyer markets.

### Aviation and Marine Fuel

Jet A-1 and marine fuels delivered into aviation and shipping supply chains.

### Refined Products

Gasoil, gasoline and other refined products moved with disciplined logistics.

CAPABILITIES

### Structuring

Transaction design, counterparty alignment and documentation.

### Financing

LC-based structures and trade finance coordination with banks.

### Logistics

Terminals, storage and inspection managed end to end.

### Shipping

Vessel nomination, chartering and voyage oversight.

WHY BLOOMGATE

- ADGM-registered foundation in Abu Dhabi
- One accountable team across the full transaction
- Disciplined, documentation-first execution
- Confidentiality as standard practice
- KYC, AML and sanctions screening on every mandate
